ABOUT AVK GmbH

CREATING SPORTS FACILITIES THAT **INSPIRE PERFORMANCE**

AVK GmbH is an Austrian company specializing in the complete supply, installation, and after-sales service of sports equipment for sports facilities of every level.

For more than 20 years, we have been delivering turnkey sports facility solutions, supplying and equipping stadiums, swimming pools, sports halls, winter sports venues, schools, and community sports facilities with equipment from the world's leading manufacturers.

Our expertise covers the entire project lifecycle — from concept development and equipment selection to complete equipment supply, installation, technical coordination, commissioning, and after-sales support.

Working in partnership with leading international manufacturers and technology providers, AVK GmbH supplies state-of-the-art sports equipment and technologies that comply with the requirements of international sports federations and are tailored to the specific needs of each project. Today, AVK GmbH successfully delivers international projects, providing customers with reliable sports equipment, technical expertise, and long-term service support.

"Sport is more than infrastructure. It is an investment in people, communities, and future generations"

OUR AREAS OF EXPERTISE

COMPLETE SUPPLY OF SPORTS EQUIPMENT FOR SPORTS INFRASTRUCTURE

AVK GmbH provides the complete supply of sports equipment for sports facilities of every level — from school sports halls and community sports centers to international sports arenas and high-performance training centers.

We provide equipment selection, logistics, installation, integration of sports technologies, and after-sales service, delivering modern, safe, and functional sports facilities for government authorities, sports federations, educational institutions, and private investors.

SUMMER SPORTS

Aquatics, track and field, football, cycling, basketball, volleyball, handball, gymnastics, combat sports, and many more.

WINTER SPORTS

Ski jumping, biathlon, cross-country skiing, ice hockey speed skating, short track, figure skating, luge, bobsleigh, and skeleton.

SPORTS TECHNOLOGY

Official timing systems, scoreboards, judging systems, software platforms, and integrated technology solutions for sports venues.

SCHOOL & COMMUNITY SPORTS

School sports halls, educational sports programs, fitness facilities, recreational sports infrastructure, and community development projects.

SUMMER SPORTS

COMPLETE SUPPLY OF SPORTS EQUIPMENT FOR AQUATIC SPORTS FACILITIES

AVK GmbH provides the complete supply and installation of sports equipment, judging and timing systems for swimming pools and aquatic sports facilities — from training and educational pools to international competition venues.

We supply training and competition equipment for swimming, water polo, artistic swimming, and diving, including starting blocks, lane lines, diving platforms and springboards, water polo goals, judges' platforms, judging and timing systems, scoreboards, and other specialized equipment.

Competition equipment supplied by AVK GmbH complies with the requirements of and is certified by World Aquatics. Working in partnership with the world's leading manufacturers, we provide equipment selection, supply, installation, commissioning, and after-sales service for aquatic sports facilities.

SWIMMING

Competition and training pool equipment, starting platforms, lane lines, integration of judging and timing systems, scoreboards, and supporting pool infrastructure.

WATER POLO

Goals, field equipment, judges' platforms, team benches, ball holders, competition infrastructure, and training solutions for water polo facilities.

ARTISTIC SWIMMING

Specialized equipment, underwater acoustic systems, judging and timing systems, and infrastructure solutions for artistic swimming venues.

DIVING

Springboards, diving platforms, platform surface coverings, judging and timing systems, and complete infrastructure solutions for diving facilities and competition venues.

AQUATIC TECHNOLOGY

Judging and timing systems, scoreboards, pool management technologies, lane line storage systems, specialized pool furniture, locker room furniture, and integrated technology solutions for aquatic facilities.

SPORTS TECHNOLOGY

TECHNOLOGIES THAT ENSURE ACCURACY AND FAIR COMPETITION

AVK GmbH is an official supplier of Swiss Timing judging and timing systems across 17 countries in Europe, the CIS region, and Central Asia, providing the complete supply, installation, and integration of sports technologies for facilities of every level — from school sports halls to the world's leading international sports venues. We supply judging and timing systems, sports scoreboards, LED video screens, information systems, underwater camera systems, pool safety systems, and integrated sports technology solutions that seamlessly combine all technical systems within a single sports venue infrastructure.

All systems supplied by AVK GmbH comply with the requirements of the respective international sports federations, ensuring accurate results, efficient competition management, athlete safety, and the successful delivery of sporting events at the highest international level.

JUDGING AND TIMING SYSTEMS

Judging and timing systems, scoreboards, information systems, and integrated solutions for winter sports complexes.

SCOREBOARDS, VIDEO SCREENS AND INFORMATION SYSTEMS

Sports scoreboards, LED video screens, result display systems, and information platforms for spectators, athletes, and event organizers.

UNDERWATER CAMERAS AND AQUATIC TECHNOLOGIES

Underwater camera systems for competitions and training, performance analysis solutions, and specialized technologies for aquatic sports facilities.

POOL SAFETY SYSTEMS

Intelligent monitoring solutions designed to enhance safety and support continuous supervision of swimming pool environments.

INTEGRATED SPORTS VENUE SOLUTIONS

Comprehensive integration of judging and timing systems, scoreboards, video screens, software platforms, and information systems into a single sports venue infrastructure.

SCHOOL & COMMUNITY SPORTS

CREATING OPPORTUNITIES FOR FUTURE GENERATIONS OF ATHLETES

AVK GmbH believes that the development of sport begins with accessible, safe, and modern sports environments for children, young people, and local communities. We provide the complete supply of sports equipment for schools, educational institutions, municipalities, and community sports facilities, creating modern environments that encourage regular physical activity, healthy lifestyles, and long-term athletic development.

Our goal is to make high-quality sports equipment and modern sports facilities accessible to every child, regardless of their level of ability, location, or sporting background.

SAFE ENVIRONMENTS | PHYSICAL DEVELOPMENT | COMMUNITY ENGAGEMENT | EDUCATION THROUGH SPORT | BUILDING THE FUTURE OF SPORT

EDUCATIONAL SPORTS PROGRAMS

In addition to supplying sports equipment, AVK GmbH provides educational resources, exercise guides, sports games, relay activities, and practical recommendations to support teachers, coaches, and sports instructors.

SPORTS PLAYGROUNDS & ACTIVE RECREATION AREAS

Complete supply of equipment for outdoor sports grounds, multi-purpose play areas, and active recreation spaces.

SCHOOL SPORTS HALLS

Complete supply and outfitting of school sports halls with equipment for team sports, gymnastics, athletics, and general physical education.

FITNESS CENTRES & GYM FACILITIES

Complete supply of equipment for team training gyms, fitness clubs, hotels, residential developments, sports and wellness centres, and multi-purpose sports complexes, including cardio and strength equipment, barbells, weight plates, dumbbells, functional training equipment, aerobic fitness equipment, and specialized sports flooring.

SALTER
The ESSENCE of fitness

Premium fitness equipment for training facilities.
